The 6/80 & M

Welcome to The 6/80 & MO Club Newsletter

On this DVD you will find 40 years of newsletters and mag which was the final issue before the merger with the MCOC Oxford & Cowley Club on 17th December 2017. The archive allows you to find items which may be more to your personal interest than your Club Vehicle. For best results, copy the file from the DVD search from the copied folder, which will make your searches easier.

The 6/80 & MO Club was formed in November 1977 by the Oxford and Wolseley clubs at the time, the founder members (MO— photo to left) and Mr. David Barker (Wolseley 6/80). Nuffield Organisation vehicles that were introduced at the 19 common Issigonis design, the Wolseley 6/80, 4/50, Morris commercial derivatives, plus the Morris "J" Van.

To date The Club has more than 300 members worldwide. Following the MCOC merger, please visit The Club's website www.680mo.org.uk area, "The Newsletter". We your Club Committee, hope you enjoy it.
