Whether it's your first time or you've been before, there's plenty to get excited about at this year's Classic Motor Show. With brand-new features and hundreds of cars making their debut, here's what awaits at the NEC, 13–15 November.

New for 2026: Débutants - cars making their show debut

This year's show theme celebrates cars making their first appearance at the Classic Motor Show, from rare prototypes to extraordinary performance machines. On our stand will be three debutantes – a Hindustan Ambassador, Morris Oxford SIII (Manumatic) and a Morris SIII half ton van.

There's more to discover at Iconic Auctioneers on Saturday 14 November, where three cars from Jeremy Clarkson's personal collection, used in *The Grand Tour*, will go under the hammer. The Lancia Montecarlo Spider, Alfa Romeo GTV6 and Lincoln Continental Mark V are all being offered without reserve.

And, of course

You'll find over 320 club displays, restorations, autojumble, traders and cars for sale. With '16 football pitches' of halls to explore, the Classic Motor Show is the end of season highlight of the classic motoring calendar.
